

UNIVERSITY OF HOUSTON

DEPARTMENT OF MATHEMATICS

PRESENTS

UHOUSTON MATH CIRCLE

WHAT IS A MATH CIRCLE? An opportunity for motivated high school students to interact with math professionals. Math circles use group discussion, and interactive problem solving to explore topics outside the typical high school curriculum.

WHO CAN ATTEND? Mathematically-minded high school students who enjoy challenging themselves beyond their school curriculum. Teachers and parents are also invited.

WHEN? Fall 2011. Weekly times and dates to be determined (your input is needed). Meetings will last about 2 hours.

WHERE? UH campus and online. Join us on [FaceBook!](#)

WHAT DOES IT COST? Nothing, this program is FREE.

To indicate interest, please send an email with your contact information and preferred meeting day and time to: stacy@math.uh.edu
