

Math 1314 ONLINE
Alternate Assignment 1

Record your answers to these questions on the Alternate Assignment 1 answer sheet and upload your answers to the Alternate 1 slot on the “Assignments” tab at casa.uh.edu. This assignment is due on Saturday, January 19, 2013, at 11:59 p.m. All work must be submitted electronically. Late work will not be accepted.

1. How many quizzes will there be during the semester?
2. On what tab on casa.uh.edu will you find the quizzes and practice tests?
3. Will students be able to be exempt from the final exam in online Math 1314?
4. What happens if you miss a test?
5. How many attempts do you have on each quiz?
6. Can you submit completed homework by email?
7. How to you submit written (Short Answer) homework?
8. How many content posts are you expected to put on the discussion board each week?
9. True or false: If you accidentally post something on the discussion board, it will be there for the rest of the semester. There is no way to remove it.
10. What is the name of the free software program that we will use for graphing throughout the semester?
11. Suppose the course calendar says that a quiz is due on November 7 and casa.uh.edu says that the due date is November 9. Which one is correct?
12. What does the alternate assignment score replace?
13. What two types of assignments will be submitted by EMCF?
14. Where is the link to the online textbook?
15. Where is the link to the course calendar?
16. Can you upload your written homework as a .doc file?
17. Are you able to view your written homework assignment after you submit it at casa.uh.edu?
18. Suppose you need to correct one problem on your written homework. What do you need to do?
19. How many points will be available on the alternate assignments?
20. What requirements must you meet for a grade of I (incomplete) to be given?
