**Math 1314 ONLINE – Section 13183**  
**Alternate Assignment 9**  
**Due Saturday, March 23, 2013, at 11:59 p.m.**

**Directions:** This assignment is required of every student who did not complete in-class poppers during Week 9 of the semester. Record your answer for each question or work each problem in the space provided. Show all necessary work for each problem. Some problems will require no work. You do not need to copy the question/problem. Put your final answer in a box. Upload your paper at [casa.uh.edu](http://casa.uh.edu) under the “Assignments” tab in the slot titled Alternate 9. The questions are posted on the 1314 Week 9 page at [online.math.uh.edu/courses](http://online.math.uh.edu/courses).
