Email Policy: In order to make sure I see class related emails, I require that students **include** "MATH 2433 Section 13773" as well as a **searchable description** of the issue in the subject line for **ALL** course-related email correspondence. I repeat, **I am not responsible for addressing any email which does not conform to this policy**. This is especially important when you have a special or urgent issue or request. If you do not receive a timely response to an important email, it is your responsibility to send a follow-up email. If I not respond to your email within one working day, please resend the email. If you again do not hear from me within one more working day, it is likely that your email is not coming through and you should come to office hours or speak with me before or after class. It is your responsibility to ensure that I am aware of issues you may have with the course; failure to effectively initiate timely communication is not a valid basis for a grade grievance and cannot be used as such.

Recorded Lectures: Lectures containing new course material will be given as prerecorded lectures. Students are responsible for watching these and answering “popper” questions to demonstrate that the video has been viewed. These popper questions comprise 3% of the course grade.

Live Help Sessions: Monday 2:30 – 4 p.m. and Wednesday 5:30 – 7 p.m. Live meetings hosted by your instructor, James West, will be offered twice weekly via Microsoft Teams and will have links posted on the CASA Calendar Page and on Teams. The biggest difference between this and the live lab sessions is that questions arising from a recorded video are more appropriate for this setting, as your instructor records these videos.

Recitation (lab): TBA. There is no separate recitation grade. You have signed up for the lecture section and recitation (lab) section. The two sections are interwoven in the course, and a grade will be given for the lecture course, representing the work in the combined classes. The lab session is a problem working session that will be offered multiple times each week online at times to be determined.

CASA Website: THIS CLASS DOES NOT USE UH BLACKBOARD! All course materials will be posted on the course calendar available on the class homepage at www.casa.uh.edu. The software for this website is known as CourseWare but I will frequently refer to it as the CASA website.

Text: Students need to purchase an *Access Code* from the UH bookstore to access the text and additional electronic learning materials through CourseWare at <http://www.casa.uh.edu>. Students are required to purchase the *Access Code*. This *Access Code* must be purchased immediately. Students will lose access to the course after June 4 if this *Access Code* is not purchased. Please do not think of this as optional, it is impossible to pass this class without purchasing an *Access Code*.

Homework: Homework will be assigned each week. Multiple choice homework assignments will be submitted online using an EMCF on CASA. Written homework will be collected throughout the semester. Students will submit their written homework by scanning their written work and then uploading it using the CASA website. Instructions will be given.

Online Quizzes: Online quizzes will be given during the semester. You can attempt these quizzes up to 20 times, and the highest grade will be used for your score. You can access the quizzes by logging into CourseWare at <http://www.casa.uh.edu>. Students are required to routinely check the quiz schedule for new quizzes. The due dates for quizzes are set at the department level and will not reopen once closed. **Quiz due dates may change without notice; however, this will only be in the event of an extension.**

Exams: Exams will be administered online through CASA. Details on the testing procedure (which is subject to modifications as additional online testing tools become available) will be provided by your instructor during the week preceding each testing period. To review the minimum technology requirements for this course, please refer to the following link: <http://www.uh.edu/online/tech/requirements>. Now, for some university policies:

Face Covering Policy

To reduce the spread of COVID-19, the University [requires face coverings](#) on campus including classrooms for both faculty and students. Face coverings must cover your mouth and nose and be worn throughout the class session. A mask with a valve is not considered an adequate face covering and should not be used, as it can expel exhaled air, increasing the risk to others. Eating or drinking during class is discouraged and is not an excuse for removing the face covering for any extended length of time. For additional information on the use of face coverings, please see [Face Covering FAQs](#). Failure to comply with the requirement to wear a face covering in class will result in your being asked to leave the classroom immediately and a disciplinary referral through the Dean of Students Office. Requests for accommodations relating to the face covering policy may be directed to the [Center for Students with DisABILITIES \(CSD\)](#).

Excused Absence Policy

Regular class attendance, participation, and engagement in coursework are important contributors to student success. Absences may be excused as provided in the University of Houston [Undergraduate Excused Absence Policy](#) and [Graduate Excused Absence Policy](#) for reasons including: medical illness of student or close relative, death of a close family member, legal or government proceeding that a student is obligated to attend, recognized professional and educational activities where the student is presenting, and University-sponsored activity or athletic competition. Additional policies address absences related to [military service](#), [religious holy days](#), [pregnancy and related conditions](#), and [disability](#).

Interim Undergraduate Grading Policy (required for undergraduate courses)

Due to the unique and unprecedented challenges associated with the COVID-19 pandemic, the University of Houston has implemented an [Interim Undergraduate Grade Policy](#) for undergraduate grades which applies to all undergraduate students in courses offered in all sessions during fall 2020. Under this policy, students have the option of converting final assigned letter grades to S (Satisfactory, applicable to any letter grade from A to D-) or NCR (No Credit Reported COVID-19, applicable to grades of F) on their transcripts. Please visit [FAQs](#) for additional information.

Recording of Class

Students may not record all or part of class, livestream all or part of class, or make/distribute screen captures, without advanced written consent of the instructor. If you have or think you may have a disability such that you need to record class-related activities, please contact the [Center for Students with DisABILITIES](#). If you have an accommodation to record class-related activities, those recordings may not be shared with any other student, whether in this course or not, or with any other person or on any other platform. Classes may be recorded by the instructor. Students may use instructor's recordings for their own studying and notetaking. Instructor's recordings are not authorized to be shared with *anyone* without the prior written approval of the instructor. Failure to comply with requirements regarding recordings will result in a disciplinary referral to the Dean of Students Office and may result in disciplinary action.

Syllabus Changes

Due to the changing nature of the COVID-19 pandemic, please note that the instructor may need to make modifications to the course syllabus and may do so at any time. Notice of such changes will be announced as quickly as possible through email.

- iii. The decision of the Office of the Provost is final and further appeal is not permitted.

3. MAKE UP WORK

If a student's absence is excused, the instructor must either provide the student an opportunity to make up any quiz, exam or other work that contributes to the course grade or provide a satisfactory alternative by a date agreed upon by the student and instructor.

4. EXTENDED ABSENCES

- a. Excused Absence Limit— Excused absences under this policy may be granted for a maximum percentage of coursework as determined by the instructor in each class, typically 15%. Coursework limit may include “clicker” questions, exams, quizzes, and homework. The limit does not include the final exam.

- b. Extended Absence Alternatives—Students with absences that exceed 15% of coursework are encouraged to seek potential alternative options provided in other policies including [Dropping Courses](#), [Withdrawals](#), and temporary grades of [Incomplete](#). Faculty also have the option to drop students for [excessive absences](#) until the official closing date of the term.

Refer to UH Academic Honesty website (<http://www.uh.edu/provost/policies/honesty/>) and the UH Student Catalog for the definition of these terms and university’s policy on Academic Dishonesty. Anyone caught cheating will be reported to the department for further disciplinary actions, receive sanctions as explained on these documents, and will have an academic dishonesty record at the Provosts office. The sanctions for confirmed violations of this policy shall be commensurate with the nature of the offense and with the record of the student regarding any previous infractions. Sanctions may include, but are not limited to: a lowered grade, failure on the examination or assignment in question, failure in the course, probation, suspension, or expulsion from the University of Houston, or a combination of these. Students may not receive a W for courses in which they have been found in violation of the Academic Honesty Policy. Additionally, if a student is requesting a (CSD approved) testing accommodation, then the student will also complete a Request for Individualized Testing Accommodations (RITA) paper form to arrange for tests to be administered at the CSD office. CSD suggests that the student meet with their instructor during office hours and/or make an appointment to complete the RITA form to ensure confidentiality. **Students should bring a copy of their approved SAF form when meeting with the instructor to complete a RITA form.**

*Note: RITA forms must be completed at least 48 hours in advance of the original test date. Please consult your [counselor](#) ahead of time to ensure that your tests are scheduled in a timely manner. **Please keep in mind that if you run over the allotted time indicated on your RITA form, then your exam score will be reduced 1 percentage point for each minute over.**
