

Using CourseWare Quizzes for  
AP Calculus  
AP Statistics  
Pre-Calculus  
Algebra 2

# Register

Go to <https://www.estudy.uh.edu> and select Register.

The screenshot shows the top portion of the University of Houston website. At the top, there is a dark red horizontal bar containing the text "UNIVERSITY of HOUSTON" in white, uppercase letters on the left, and "UH Home | Search" in a smaller, lighter font on the right. Below this bar is a white area featuring a large, golden, abstract sculpture on the left. To the right of the sculpture, the text "Important Information:" is displayed. Underneath this heading, the words "Register" and "Login" are listed vertically. The word "Register" is circled in red, and a red arrow points from the right side of the page towards the "Register" link.

Note: you can select multiple classes and may select a class more than once

# You will receive another email with class codes

Dear Bekki George,

Your request has been approved. You can now access your requested courses on CourseWare website.

Your information is as follows:

Login Name : \*\*\*\*

First Name : Bekki

Last Name : George

Email : ---

School Name : UH

School Phone : \*\*\*\*

The approved course requests are as follows:

Course\_Title: Calc, Request\_Status: Approved, ClassCode: Z5K9Q52

Course\_Title: Stat, Request\_Status: Approved, ClassCode: W2L1B61

You may log in at <https://www.casa.uh.edu> with login name and password you had provided at the time of registration.

You can also find course videos and notes at <http://online.math.uh.edu/hsmath/>

Please note that the students need to register for account using your last name and the class code given above at [www.estudy.uh.edu](http://www.estudy.uh.edu).

Thank you,  
CourseWare Team

# Home Page

- If you are still logged in, you may choose 'Courses' to see your course listing once you are approved.
- As instructor, you will have access to a gradebook for each class.
- To access the quizzes, you will need to register as a student. You will need to know the class code for each class so it may be a good idea to print out the page with your course listings.

# Registering Students

- Students will need your last name and class code to register.
- It is a good idea for the instructor to also register as a student
- Go to <http://www.estudy.uh.edu> and choose register
- Be sure to select **Student**

# Tips

- Keep a list of student login names and passwords in case they forget
- You can check your 'gradebook' when logged on as instructor to see all registered students for each course.

# When logged on as student

- Select the course and you will see two tabs:

The screenshot shows a web interface for a course. At the top, there is a navigation bar with two tabs: "Courses" (highlighted in red) and "Profile". Below "Courses", the course identifier "P-George-Calc-Z5K9Q5" is displayed. To the right of this, there are two sub-tabs: "GradeBook" and "Quiz", which are circled in red. Below the navigation bar, the text "Home Page" is centered. The main content area has a light gray background and contains the following elements:

- A "Discussion Board" link with a small icon.
- A red label "Your class code is :" followed by a blacked-out box.
- A large heading: "Welcome to AP Calculus".
- A paragraph: "To register your students, each student must register as a student user with your class code. For instructors to view the quizzes and exams, they must also register as a student with the given class code."
- A section titled "Helpful Links:" with three blue underlined links:
  - [Calculus Videos and Slides by Topic](#)
  - [HoustonACT Page](#)
  - [Online Help Materials for all Subjects](#)
- A contact line at the bottom: "Contact: [Bekki George](#) if you have any questions. (Please include your 5 digit section number if you have technical questions)"

# Quiz

You will see all available quizzes to take

Each quiz will have 20 attempts

## Quiz

Online Assignments			
Title	Duration	Availability	SELECT TEST
