Register
Dear Bekki George,

Your request has been approved. You can now access courses on CourseWare website.

Your information is as follows:

Login Name : *****
First Name : Bekki
Last Name : George
Email : *****
School Name : UH
School Phone : *****

You may log in at https://www.casa.uh.edu with login name and password you had provided at the time of registration. Once logged on you may select the courses you wish to have access to.

You can also find course videos and notes at http://online.math.uh.edu/hsmath/

Thank you,
CourseWare Team
Log on
Set your password retrieval question

Please set secret question/answer for password updates. You will be redirected to Profile page on every login till you accomplish this.

Thanks.

Change Secret Question
This question and password will help you to reset your password. The allowed characters are a-z,A-Z,0-9 and SPACE.

Select a question: Write my own question
Answer:

Save Changes
Select the Courses tab then choose ‘Click Here to Request New Course’

courseware@uh.edu along with your details.

You don't have privileges to access any course.

Click Here to Request New Course
Select the class(es) that you are interested in using

Note: you can select multiple classes and may select a class more than once
Dear Bekki George,

Your request has been approved. You can now access your requested courses on CourseWare website.

Your information is as follows:

Login Name : ****
First Name : Bekki
Last Name : George
Email : ---
School Name : UH
School Phone : ****

The approved course requests are as follows:
Course_Title: Calc, Request_Status: Approved, ClassCode: Z5K9Q52
Course_Title: Stat, Request_Status: Approved, ClassCode: W2L1B61

You may log in at https://www.casa.uh.edu with login name and password you had provided at the time of registration.

You can also find course videos and notes at http://online.math.uh.edu/hsmath/

Please note that the students need to register for account using your last name and the class code given above at www.estudy.uh.edu.

Thank you,
CourseWare Team
Home Page

• If you are still logged in, you may choose ‘Courses’ to see your course listing once you are approved.

• As instructor, you will have access to a gradebook for each class.

• To access the quizzes, you will need to register as a student. You will need to know the class code for each class so it may be a good idea to print out the page with your course listings.
Registering Students

• Students will need your last name and class code to register.
• It is a good idea for the instructor to also register as a student
• Go to http://www.estudy.uh.edu and choose register
• Be sure to select Student
**Personal Information**

- **First Name:** Student
- **Last Name:** George
- **Email:** bekki@math.uh.edu
- **Confirm Email:** bekki@math.uh.edu

*User ID cannot be less than 6 characters*

- **Login ID:** [Enter your login ID]

*Passwords must contain 7 or more characters using BOTH numeric and alphabetic characters and are case-sensitive.*

- **Password:** [Enter your password]
- **Confirm Password:** [Enter your password again]

- **Are you an Instructor or Student:**
  - [ ] Instructor
  - [x] Student

**Your Instructor Information**

- **Last Name:** George
- **Course Code:** V8W4F1

[REGISTER]
Tips

• Keep a list of student login names and passwords in case they forget
• You can check your ‘gradebook’ when logged on as instructor to see all registered students for each course.
When logged on as student

- Select the course and you will see two tabs:
Quiz
You will see all available quizzes to take
Each quiz will have 20 attempts

• Once a quiz is started, students will select answers and choose Submit! when they finish.
• A blank quiz can also be printed from this window.
• Students can view their completed quizzes with grades in their gradebook.

• Email questions to Jennifer Marsala at jmarsala@central.uh.edu.
